About AGA: AGA is the member organization for government-finance professionals. We lead and encourage change that benefits our field and all citizens. Our networking events, professional certification, publications and ongoing education help members build their skills and advance their careers.

About ACT-IAC: The American Council for Technology and Industry Advisory Council (ACT-IAC) is a non-profit educational organization established to create a more effective and innovative government. ACT-IAC provides a unique, objective and trusted forum where government and industry executives are working together to improve public services and agency operations through the use of technology. To maintain the objectivity and integrity of its collaborative process, ACT-IAC does not accept government funding. ACT-IAC activities are underwritten by AT&T, ACT-IAC’s strategic mission partner, and a number of private sector organizations who share the ACT-IAC commitment to better government. A complete list of sponsors, as well as additional information about ACT-IAC, can be found at www.actiac.org.

About the Shared Services Leadership Coalition: The Shared Services Leadership Coalition (SSLC) is a single-purpose, IRS-approved 501 (c) (6) non-profit coalition of companies, nonprofits, and individuals providing educational and government relations support for legislation to accelerate shared services implementation in the Federal Government.
