About Us

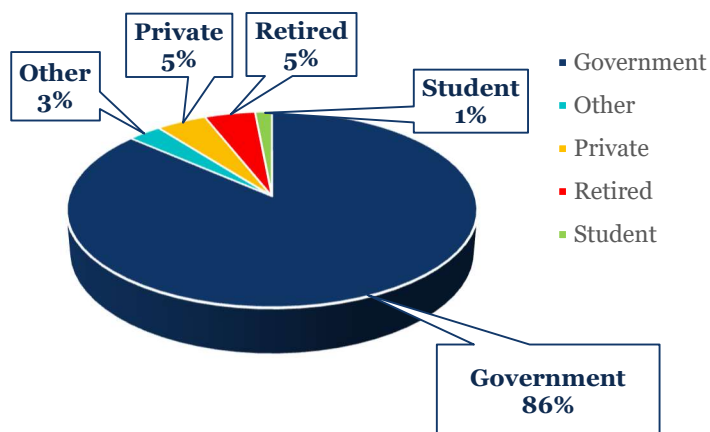

Advance. Grow. Accelerate. AGA is the association that connects and empowers financial and related professionals who support government, from financial management to IT, human resources, cybersecurity and more, to advance good government initiatives, grow their expertise and accelerate their careers.

The AGA – Delaware Chapter (formerly known as the Dover Capital Chapter) was founded on July 9, 2002. We are a small, but mighty, chapter holding steady with around 65 members. We are focused on enhancing membership experience, providing frequent and timely continuing education, further developing new chapter leaders, and promoting community service.

Chapter Leadership

Independent Audit

In order to fulfill the independent review of our chapter finances, we contacted a neighboring chapter, Baltimore, to conduct the audit. The Baltimore Chapter Treasurer performed a limited scope review in which no discrepancies were identified, and the financial records provided appeared reasonably proper. We thank the Baltimore Chapter for their services.

Looking Forward!

2024-2025 Program Year Goals!

Membership

- Aiming for 5% overall growth as chapter by increasing student and young professional recruitment efforts.
- Retaining current members through chapter offerings and events that appeal to the membership body.
- Hosting more networking events, both virtual and in-person, to support member satisfaction.

Education & Community Service

- Providing at least six webinar experiences to our members and sponsoring a local PDT.
- Matching or exceeding the prior year attendance rate at our local PDT.
- Offering guidance, support, and resources to chapter members looking to earn the CGFM credential.
- Continuing to support the community through highway road clean-ups, community meals, and finding new avenues to provide local assistance to others as chapter.
